Dear Mr. Murray and Dr. Wilson;

Your request for a Circus, Rodeo, & Menagerie Import Permit for the elephant named Topsey listed on APHIS Form 7001 certificate number V016910 is denied. This denial is based on "Reactive" test results on the Stat-Pak and positive results on MAPIA on tests performed on January 10, 2012. Topsey is prohibited entry into Wisconsin based on failure to complete the requirements under the Guidelines for the Control of Tuberculosis in Elephants 2010, section 7 Group 2 C.

Your request for a Circus, Rodeo, & Menagerie Import Permit for the elephant named Annette listed on APHIS Form 7001 certificate number V016905 is approved. The appropriate import permit information will be sent directly to you.

Thank you for your cooperation, if you have any questions please contact us and we look forward to working with you in the future.

Sincerely,

Robert G. Ehlenfeldt, DVM
